-
- 1. PURPOSE.** This advisory circular announces the availability of the National Plan of Integrated Airport Systems (NPIAS) 1993-1997.
 - 2. BACKGROUND.** The NPIAS estimates the costs associated with establishing a system of airports adequate to meet the needs of civil aviation and to support the Department of Defense and the Postal Service. It draws selectively from local, regional, and State planning agencies. The estimates represent the total cost of airport development items which are eligible for Federal aid under the Airport and Airway Improvement Act of 1982.
 - 3. HOW TO ORDER.** The NPIAS can be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402, for \$12.00 each, stock number SN 050-007-1092-3.. Make checks payable to the Superintendent of Documents. Orders for mailing to foreign countries must include an additional 25 percent of the order total to cover handling. C.O.D. orders are not accepted.
